

Integrated Compact Colour Camera

Assure perfect recognition of virtually any reference mark. Even for low contrasting colours, poor ambient light conditions and marks on reflective or laminated materials.

- Compatible with OptiSCOUT™, GTK VISION™
- Easy tool-head change (fully integrated in tool-head carrier)
- Smart illumination with dimmer and anti glare / reflex suppression
- Full colour CMOS technology
- Auto shutter
- Easy focus adjustment
- Vibration free fixation

ZST-11-2008-lbe
